## OBJECTIVE

- Seeking opportunities to apply and expand technical knowledge in software development.
- Aiming to contribute to a team, learn, and grow in the technology sector.
- Available for co-op beginning in January 2024.

## SKILLS

- Strong knowledge in HTML & CSS programming languages, along with debugging HTML & CSS.
- Excellent knowledge in mathematics and working knowledge in Java.
- Developed problem solving skills from three semesters of academic work, allowing me to analyze complex issues and come up with original solutions.
- Currently engaged in learning C# through .net frameworks, learning the basics for SQL database management and PHP programming languages.
- Strong command of Microsoft Office suite, including Excel and Word.

## EDUCATION
